In commercial and high end residential wallcoverings, Muraspec is one of the most established, experienced and renowned international leaders. Muraspec is a UK based company, but it has great business all across the globe. The heart of Muraspec is its production house based in Kent, where all outclass, unique, eye-catching and best quality wallcoverings are manufactured. We provide a large range of wallcoverings designs, textures and color-schemes. We also offer stand-out finishes in the form of Impressions 3D sculptured panels, Lumicor decorative resin panels and Strata-flex laminate film for a huge range of interior decorative solutions.
