A very clean example of a Honda Fireblade that has only covered 2239 miles from new. The bike has had it's first service at 639 miles and we will Pre Delivery Inspect the bike before collection/delivery. The bike has been HPI checked and a Certificate will be presented with the bike. The bike comes with a factory fit immobilizer, this stops a cloned key or screw driver being used to start the bike. A tank pad has also been fitted to the bike, these protect the paintwork from rubbing with the riders jacket, they also look nice. Viewing is welcome any time and we guarantee you will not be disappointed. Give us a call on 01246 860046 for more info or pop in and view the bike at CMC Clay.
