Here we have an immaculate example of the R1. New tyres have been fitted to the bike so no need to change them for a while! Top spec engine protectors have been fitted just in case the worst should happen. Fitted with a double bubble screen for an extra bit of wind protection. The bike comes with a factory fit immobilizer, this stops a cloned key or screw driver being used to start the bike. The bike comes with all original keys and manuals as were supplied new. Being Fitted with Adjustable Brake and Clutch levers enables the rider to set up the bike as they want it. The bike has also been fitted with a performance exhaust, this allows a little more of a growl upon acceleration and also allows the throttle to be a lot more responsive. The bike has been fitted with braided brake hoses, this means there is no room for expansion as you get with rubber hoses giving much better braking efficiency. The bike is also fitted with LED Indicators, these not only look fantastic but give a brighter more visible illumination. The bike has been HPI checked and a Certificate will be presented with the bike. The paintwork has no chips, scratches or dents and has been fully polished by our on-site valet. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Coleshill. *NOTE: Alarms can be fitted to any bike at an additional**
