We're the Utility Consortium looking for new affiliates in the UK, Our ideal partner would be a business that already has multiple sites to take care of and would like a better business rate for their utilities. We'll pay 10% commission for multiple sites or 5% for one site ie your own business. Our policy is to save you at least 20% over the contract length and freeze that price too, No increases for fuel or transportation. Contact Andrew on 07597298042 initially for more
