

Kingsize metal bedframe (50 GBP)

Location **East of England, Bedfordshire**
<https://www.freeadsz.co.uk/x-298321-z>

Metal bed frame for sale.

Research shows that this style of bed would cost you over £200 when new. Bed is approximately 5 years old but in excellent condition, couple of scratches but nothing to detract from its quality (hence the price).

Bed has been fully dismantled and all screws (including Allen Key) have been safely kept.
Easy to put together (take approx 30 mins)

Dimensions are: Length 213cm x Width 150cm x Height 148/117cm.

Bed is waiting for collection as soon as possible as its taking up space in my garage.
Price is set at £50.

Please call first beforehand, cash only..
