We are not general builders who fit kitchens; we are fitted kitchen specialists with a strong industry background, which includes a fitting history with Moben, Kitchens Direct, and MFI. We not only know and understand the potential pitfalls of fitting a new kitchen, but are fully tooled up to deal with every aspect of your installation.

We know you don't want the hassle of sourcing lots of different tradesmen, so we offer the following trades and services to ensure a smooth and seamless one-stop project -

- Checking of your plan and order prior to delivery to minimise supplier errors
- Checking your furniture on delivery
- Removal and disposal of your old kitchen by licensed waste carriers
- All structural building work required prior to installation
- Plastering
- Full assembly and installation of your new cabinets
- Cutting and fitting of all worktops, including Laminate, Solid Surface, Solid Wood, and Quartz
- All electrical work to Part P where required
- All plumbing including moving and replacing services where needed
- All gas work carried out by a Gas Safe registered ex-Gas Board engineer
- Wall and floor tiling, including Ceramic, Porcelaine, Travertine, and Moisaic
- Laminate flooring including new skirting boards and trims where required

Final decoration, including flat paint and wallpaper finishes

What you need to do is get order your new furniture and supply it to the local British Home Retailer. We will then come to your home and fit the kitchen. We will also supply the cabinets and so contact us if you require.
