

Virtual Assistant

Location **South West, Somerset**
<https://www.freeadsz.co.uk/x-298945-z>

Expert PA Skills provides virtual office support, PA and secretarial services to small businesses such as word processing, spreadsheet creation, PowerPoint presentations, database entry, audio-transcription, newsletters, proof-reading and diary management. If you would like the expertise of a Personal Assistant for specific projects, holiday cover or maternity leave, I can provide this. The benefits of outsourcing will reduce your workload, leaving you more time to focus on running your business. ;
