If you like to make a delicious and unforgettable dessert, you can find the best and suitable ingredients ateMicosta.com. There are many options available in the existing market, but the specially produced and natural one brings you unbelievable results. Fruit Syrups are the fantastic and excellent products for mixing with carbonated water, and drizzled on angel food cake and ice creams in order to make tastier and mouth-watering dessert. In addition, the syrups are excellent to prepare unique, distinctive liquor beverages. These fruit syrups are stunning infusions that are made with deionized grape concentrate using a low and gentle heat process. The infused fruits are strained out of syrup after they have been softened and sweetened. After that, the fruit is frozen wet or dried for future or later use.
