https://www.freeadsz.co.uk/x-315260-z

Really nice condition Minibus seats. Available individually, or as a complete set of 12. PLUS: a matching driver's seat if required (extra cost).

They all come from a rarely used OAP bus, and all fitted with individual fully safety-compliant seat belts. Clean, warm and dry seats - no old torn or damp things. Still stored in a heated shed now, following removal from the bus!

REDUCED to £20 each or make offer for the complete set.

Located near Ludlow, on the Shropshire/Herefordshire border.
