Looking for a gardener in Chineham? A gardener in Old Basing? A gardener in Lychpit? A gardener in Hatch Warren? Then look no further! You have found them! Unlike most gardening companies we pride ourselves on "old-fashioned" principles. This means that by employing us you can rest assured! We are Reliable, Honest, have Integrity, adhere to high Professional standards and have a Passion for gardening. Before you allow just anybody to work in or around your property, do ensure that you know who he or she is. For your peace of mind, we have been "CRB Checked" by the Criminal Records Bureau of Scotland, often referred to as a disclosure. We offer regular garden maintenance and also one-off tidy ups. We differ from many gardening companies because we will turn your soil by hand thus ensuring that the vast majority of weeds are removed. Although initially this is obviously more painstaking and time consuming, the results of our labour will last far longer and be there for all to see... As you can appreciate we do get very busy, so we would suggest that you contact us as soon as possible so that we may schedule an appointment for a free estimate.
