Do you need a table that can seat about 6 to 8 people? Then this Contemporary Dining Table is just great for your dining room. Made of solid Oak, this table is solid and heavy, so it needs to be placed on a solid, strong floor. With its solid and simple construction, this dining table is suitable for any dining room style. The chunky legs are a wonderful complement to the solid design of this dining table. Featuring a natural wood color, this table is a wonderful addition for any home. - See more at: <https://yoozzed.com/products/comtemporary-dining-table-in-chunky-solid>
