Hi i am looking to rehome my gorjus male staffy X due to housing and family circumstances. Chance is a great dog almost 2 years old he gets on well with other dogs but not so much cats . he is micro chipped, deflead, dewormed and generally healthy. I am very sad to have to rehome him but it's what's best for him at the moment ! If anyone is interested feel free to PM me for more information and pictures. Price to ensure he goes to a good home!
