

Renault Master 2005 White (2,750 GBP)

Location **South East, East Sussex**

This van is a high top, long wheel base. It has a huge space in which to shove all sorts of stuff. As you can see from the mileage it has been around a bit but it is good to go, its reliable, clean and has recently been serviced. It has a spare tyre. Like us all when we have done a bit of mileage it has a few bumps and scratches but overall this van is in good shape. Great value for.
