Ajman Offshore Authority does not allow Bearer Shares. And being a new offshore entity, their process

for offshore company formation is much faster than the other offshore jurisdictions. Once company name is approved and all required documents are complete, the application for incorporation is submitted to the authority, the offshore company is incorporated within 10-15 days. The incorporation fees are only AED \$10,000 + 466 which is inclusive of the first year renewal fee. 100% USD / US\$

Documents required for incorporation of an offshore company

1. A passport(s) copy of each shareholder of the company
2. An original proof of residence for each shareholder in English (can be recent telephone bill);
3. Articles of Association, Memorandum of Incorporation and the Application for incorporating an offshore company. As a registered agent, we will prepare all these documents after the name and business
