Hi there, my name's Abi and I'm an eyelash extension technician. If you're a busy mum who doesn't have a lot of spare time in the morning to apply makeup, or just someone who likes to feel glamorous and presentable at all times, then these lash extensions are a perfect solution. Once applied they can last up to 4 weeks, giving that 'put together' look at all times, with zero effort from you! Eyelash extensions are also a popular choice for holidays in the sun because they are completely waterproof which makes them perfect for the beach and the pool! The false lashes adhere to your individual natural lashes to give a seamless finish and whether you are looking for a classic, natural look or all-out glamour, either can be achieved depending on thickness, length and curl of the false lashes! I have a home salon in Chesham but do occasionally travel to my clients' homes by request. I charge £45 for a natural set and £60 for an extra full set. I am fully qualified and insured and will happily show my certificates to anyone who!
