=== Sussex – Kent – Surrey – Hampshire – London – Berkshire – Oxfordshire – Essex – Hertfordshire - Buckinghamshire ===

Wedding or event coverage – paid for by charity donation rather than fee.

I can provide videography if you would prefer this instead of photography.

£250 for the day from bridal prep in the morning through to the first dance. This is the recommended donation but of course we would gladly accept more. If you can donate any more I will stay for a few more hours to get some dancefloor and evening shots too. Alternatively, if you only wanted a particular part of the day covered then a smaller donation than 250 would also be welcome.

I will travel anywhere within Sussex, but for anywhere further in the south of England I would ask for travel costs to be paid. However this would just be petrol for my small car and really wouldn't amount to very much.

Other than this, there are no other fees or hidden costs .

Before the event we can meet (or talk online if outside of Sussex) about any preferred styles you may have, or priorities for what you'd like photographed on the day.

I'll aim to have all the photos edited within a month of the event. I will send you a USB stick of the photos,

usually I average around 300 photos per event.

I'm a volunteer for a charity, the Brighton and Hove Youth Respite Service, we are a voluntary organisation who work with the South East Coast Ambulance Service. We respond to the local emergency services, we provide life support, first aid, and we provide a first aid service before the ambulance arrives. Although we work with the ambulance service, we do not receive funding from them. We are entirely reliant upon donations from the general public. This year our funds are running low so we're looking to raise money to keep providing this (literally) life saving service. More info about us is here: <http://www.smcfcr.org.uk/teams/brightonresponders>. I'm offering this photography at this low price in order to attract as many donations as possible. I am available for wedding events on the weekend. For weekday, the donation would have to be significantly more as I would have to miss work to attend.
