We are a home care company that delivers high quality care in our service users homes. We provide personal care, assisting to dress, toilet, prepare meals, cooking meals and social inclusion. We require carers who have good communication skills, both in literacy and spoken. Are able to work alternative weekends, are friendly and have compassion and empathy. We require drivers for the Essex areas but not necessary for the London areas. We offer comprehensive training and resources for further education such as diploma level 2 or 3 in Health and Social care. If you feel that you had what we require to become a carer then please contact Kafilat on 020 85101600 to discuss some.
