Join Alan Ranger in this beginner's course where you can learn the art of photography! Absorb new skills and techniques as Alan Ranger guides you through the process of taking photographs you can be proud of. Various dates throughout the year

You'll learn all about the following:
 The exposure triangle (ISO, Aperture, Shutter Speed)
 Metering and focusing
 Dynamic range & light
 Final image formats
 White balance and colour profiles
 Filters, bracketing and tricky lighting
 Composition and shot design
 Tripods and other gear
 Basic image processing

Even if you're an intermediate level photographer looking to refresh your core skills, you're more than welcome to enjoy the tuition Alan Ranger offers! Courses are held in Solihull, Kenilworth and Coventry and run for 5 evenings over consecutive weeks. Each lesson is 3 hours long, the course giving a total of 15 hours tuition. Read more about them on the website.
