This is an amazing workshop location at an amazing price, so not to be missed. There is no need to leave your partner out for this workshop - they can join you for the week and enjoy the French Riviera and luxury facilities at an unbelievable partner only cost. The itineraries have plenty of options for free time for you and your partner to explore and relax alone on a daily basis, or they can accompany us on locations and just soak up the fantastic sites. We will stay in a luxury villa that has undergone complete refurbishment by the French architect, Olivier Ghibaudo, renowned for the quality of his work in the Cote d'Azur. The villa, near Le Lavandou is 300 meters from the beach and has extensive and 5 star facilities - this is a private villa so you will be getting top-notch settings.

Locations we will visit and shoot: Street Markets, Idyllic Villages, Villages and Architecture, Seascapes, Cliffs, Mountains, Sunsets, Sunrises, Flowering Meadows, Landscapes... and more.

Available on a Pick N Mix Plan if you want to pay over 12 months to spread the cost - contact Alan for details of this.
