This rare AC Schnitzer C30 is special for many reasons. Firstly, its condition belies its age...immaculate. Secondly, its pedigree is undoubted...AC Schnitzer are the market leader in the BMW tuning world. Thirdly, this car's history begins as an official BMW dealer demonstrator at Sytner Nottingham. After that it then had just one owner until 2015! It then came to us and has been a display car since. Offering superb seamless performance from its supercharged 3.0 litre engine, sweet balanced handling and ride quality, great sound track and head turning looks, this car is now waiting for its new enthusiast owner. This gem has already fallen into the realm of being collectable. Future values? Hard to say, but a drop of any consequence is unlikely and a long term increase more than possible.
