Hedged In is an artificial hedge supplier offers top quality artificial hedges, hedging panels in the market today with affordable price tag. All our artificial foliage are UV stable and weatherproof, suitable for outdoor uses. Made from 100% raw fully recyclable polyethylene our artificial products are environment friendly and require very little maintenance. Our artificial hedges are manufactured as 50 x 50 cm and 100 x 100 cm large panels, they are quick and easy to install by clicking each tile together. The plastic mesh backing means it can be fastened on any surfaces, including bends and corners. With advance technology artificial products are extremely lifelike and realistic and excellent alternative to real thing. We also offer bespoke services such as hedging letters, vertical green walls, shop displays and billboards. With many years of importing experience and creative mind we can give you the choices to complement your ideals for both inside and outside your home, from a simple solitary artificial plants to a privacy box hedging screening that shield you from unwanted.
