Hedged In offers the best quality artificial hedges in the market today with affordable price tag. Manufactured on 50x50cm and 100x100cm large hedging tiles, our plastic hedges are quick and easy to install by simply clicking each artificial hedge tiles together. Made of 100% raw recyclable polyethylene, these fake hedges can fit in any bends and surfaces. Our plastic hedges are UV stable and weatherproof, also child and pet friendly for both outdoors and indoors uses. These synthetic hedges provide total screening and privacy fencing. Artificial hedges and screening are extremely lifelike and an ideal alternative garden.
