Two new courses for 2016. Two 10 week courses, Adult Intermediate with James Shuff starting Tuesday 19th April for those who know a few chords and scales and want to expand their knowledge and an Adult Beginners course with Nathan Locke starting Monday 18th April for those who know nothing or very little and want to know how to unlock their potential. We are running these courses in electric and acoustic guitar to introduce the wonderful experience of the guitar to those who have always wanted to, but not yet quite jumped into the world of being a competent guitar player. Our aim is to take you from absolute beginner or intermediate player to a confident guitarist who can easily recall at least 20 chords, several scales and arpeggios (arpeggios?? What are those?? Exactly!!) and 20 plus popular songs. The course will begin at 7pm and run through to 9pm with a short comfort break. There will be facilities to make tea and coffee or you are welcome to bring your own. All you will need is your guitar unless otherwise arranged and a lead if you are bringing an electric.
