2010 Elddis Rambler 18-4 SE. Just one owner and full service history. The front lounge has two long parallel sofas that convert to two single beds or pull out the slats and make up a large double bed. Large Heki II sunroof above that floods the lounge with natural daylight. Eye level aircraft style lockers and under seat storage available. A centre cabinet with drawers and a fold-out occasional table. In one of the lockers is a Sony CD Tuner with USB and Aux input.

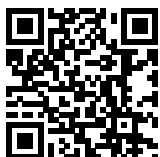

The kitchen has a large stainless steel sink with draining board and glass lid for extra workspace when required. At the side of the worktop is a fold-up table to again provide additional workspace. A three gas burner hob with glass lid, a gas grill and oven beneath. Thetford 3-way powered fridge with ice-box plus a built-in microwave oven.

Opposite the kitchen is a dresser style unit with worktop to place your TV and extra upper and lower storage cupboards. The main feature of the caravan is the large fixed double bed, which raises on gas struts to reveal a large storage area that is also accessible from an external locker door. A large Heki sunroof above the bed offers plenty of daylight and fresh air. Upper lockers again provide plenty of storage space.

A large wardrobe with hanging rail to store your clothing, plus the large dining table is stored in here when not in use.

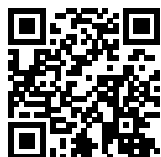

The washroom has a very large shower tray with folding shower door, a Thetford cassette toilet, a fold down wash basin with chrome mixer tap and a mirrored cabinet above. Outside you have a Winterhoff stabiliser hitch with hitch lock, front locker with gas bottle, water pump, mains hook-up lead and levelling ramps. A full awning and a porch awning are supplied, as is a full winter cover. Wood effect flooring with

loose fit carpets, Truma gas and electric blown air central heating and hot water heating. Black-out blinds and fly screens through the sliding door.
