..completely genuine and twice signed original green leather passport/billfold/credit card holder accessory. These were only ever issued by official Rolex agencies with newly purchased 18ct/steel, and all gold Rolex models between 1989 - 2003. Long since discontinued by Rolex. You have a 1990s Rolex? Then this is for you, and will also add re-sale value to your beloved watch. It's a great and scarce item. I have had to describe this as used - purely due to the time that has elapsed, but essentially it is as new. Go on, treat yourself! Genuine private sale. Thank.
