A4 Ezy House Rubbish Clearance has worked in and around the Southampton area for over 6 years clearing anything from a single item to full house / office / warehouse units The bigger the job the more cost effective it can be. Smaller singular items will cost most to remove due to general expenses but overall we usually work out more cost effective than a skip or hippo bag Your needs are important to us and we will usually be able to clear most jobs within a 48hr period. All you have to do is give us a ring and we will either give an estimate over the telephone or a quote in person Bookings are being taken for the new year Please no advertisers thank
