HONDA DEAUVILLE TOURER

I bought this bike over a year ago beautiful to look at a pleasure to ride, handles beautifully, unfortunately I have to admit the bike is too big for me, I struggle with its size at the traffic lights etc, so unfortunately I have to go back to a smaller 250 being a nap now, I have put the original writeup from Steve the guy I bought it from in Ringwood, I have only done 200 miles on the bike, it sounds and rides just as good as it looks, Mot September 2016 thanks
