Playing guitar is a skill that will be with you always, it will never go out of date or become obsolete... I teach guitar to students of all ages from total beginners to intermediate level.

I have a great teaching style, a lot of playing experience and knowledge and am very easy to get on with.

I want you to reach your musical goals, whether they are to learn to play a few simple songs or to become the next Slash or Van Halen...

All it takes is determination and practice (a guitar is good, too) If you need help finding a guitar I can help you to find just the right instrument at a price you can afford.

So, give me a call and arrange your first lesson today! My Rates:

£15 for a one- hour lesson,

£50 for 4 x one- hour lessons

(please add £1/mile for home visits; >max.£5)
