This multi-functional (3in1) Epson, is the ideal solution for your home, office, study, or any other average sized room space. Add colour and quality to your printing with this versatile machine, which includes memory card slots and a 3.8 cm LCD viewer for printing anything up to A4 size, which you can do without even switching on your PC, using the on dial scanner. You can also save money because with individual ink cartridges you only need to replace the colour used. Whether you print documents or photos, Epson's DURABrite Ultra Ink provides high-quality documents and lab-quality photos that are resistant to water, fading and even highlighter pens. Other key features :- The printer includes the programme software (single disc), which you need - to install the files into your PC, when using the usb attachment, it also allows you to: -Remove red-eye and enhance your images with 'Epson Easy Photo Print'  
 -Restore colour in scans of old photos with 'Epson Easy Photo Fix™' Box and packaging also included, which are in - 'like new' condition, you also get a 1.92m long usb attachment and spare ink. The asking price is a very good deal. Thank.
