Reliable safe private driver for all your outcalls with many years experience regularly driving escorts to their bookings for agencies and independents. Discreet home collection to all your outcall destinations and for all your extended and overnight bookings I am conveniently based near Central London and on call for your short notice and last minute bookings. I offer a full chaperone service by taking you to your appointment and waiting discreetly until its completion. I will ensure that you leave your appointment safely and take you home or to another destination. Economical rates which work out cheaper, safer and more confidential than minicabs or uber and can provide a last minute short notice service. Only £20 for a 1 hour booking and £35 for 2 hours 07437 669 311 www.kapstarr.co
