Nice pair of used Rieker shoes lovely summer colour. They have loads of wear left, the insole is so so comfy, you can see some scuff marks on shoes, like the colour round soles have faded but once on you don't notice. I have tried to be as honest as I can. I recently bought of ebay and I take size 6, 6.5, 7 these are to big for me. They was described as Nubuck leather in beige with pierced pattern and elasticated strap. from smoke and pet free home. I would have to charge for postage.....you can
