German shepherd mix, we think ridge back - whatever he is, he is a gentle giant who just wants to be loved and played with. He is a very strong boy so would need someone who could handle him. Unfortunately I am unable to have him as my flat is too small :(and im unable to walk him when my partner is at work - which is not fair on him and my jack Russell isn't too keen, having said all that he is a big sop! Loves people and other dogs, will lick you to death! 7-9 months old, full of life! Very healthy with a beautiful coat. Please no time wasters, I want to make sure he is going to a good home! Very unfortunate sale :(need him gone to a good home in the next few days - but won't be given to just anyone and also as I don't want him going to a dogs home! 150
