Flavia Drinks machine in full working order. Can be connected to a water pipe or can be filled with water from the top. Very good machine. Only selling as we have been upgraded. Comes with a Flavia 4 Column Merchandiser - FV9180 that is still its its packaging, Internet image used to show you what it looks like. As you can see the lid has broken but does no affect the machine in any way and sits in place as it.
