

Hodsoll Street Camera Club

Location **South East, Kent**
<https://www.freeadsz.co.uk/x-318996-z>

This Friday! New camera? Interested in improving your photography? Simply want to know more about photography? Join our inclusive camera club at Hodsoll Street. We cater for all photographic equipment, from smart phones to DSLRs, and all levels of expertise. The club is run by an experienced teacher and we have a varied range of activities, including outings in milder weather. Our programme is largely dictated by our members, so there is something for everyone. We run a monthly competition on Facebook and also produce the local Village Calendar, so there is plenty of opportunity to get your best pictures seen. We meet on the third Friday of every month at 7:30pm in Hodsoll Street and Ridley Village Hall (TN15 7LE) and the cost is £5 per meeting. Accompanied children under 15 don't pay. Our next meeting is on April 15th and is an introduction to editing with layers. The competition topic is "Animals". The calendar theme for this year is also "Animals" - could be large or small (or even!).
