Selling due to business venture. This bike is immaculate with very low mileage. I have only had his for a year and been to Devon twice on it and am sad to see it go. Before this it was put in storage by the previous owner and so I serviced it in 22/8/15 and then put away for the winter. This still has the original welcome pack with everything. In the photo s everything is going including the inserts and cleaning products (HD) and stand. The motion alarm is brilliant . Who ever buys this will love it. I have put a new mot on it as.
