

Mini Cooper 039S039 Convertible Automatic 2005 (3,995 GBP)

Location **South East, Kent**
<https://www.freeadsz.co.uk/x-319685-z>

Lovely example of a fantastically fun car with no faults and only 79,500 genuine miles. Unfortunately my ill health forces a very reluctant sale. Comes with 12 months MOT, 4 new tyres, some history and all 3 keys. She's on my personal plate at present but will be re registered by me as her original, GK05 SWV on confirmed sale. Please contact me for any further information. Thank you. ;
