A selection of stunning poster paintings from the celebrated Tolkien artist Alan Lee - the man behind many of the striking images from The Lord of The Rings movie. The six paintings contained within the centenary edition of The Lord of the Rings in 1992 have themselves become classics and Alan Lee's interpretations are hailed as the most faithful to Tolkien's own vision. This poster collection, in an attractive presentation folder, is a perfect complement to the classic Tolkien stories, reproduces six of the most popular paintings from the book in a format suitable either for hanging as posters or mounting and framing. The posters have been mounted previously and there is a small adhesive residue on the rear of each, but this is not detectable from the front. The presentation folder has some minor creasing, mostly on the.
