## Guitar, Mandolin or Vocals (Singing) Lessons - you choose - A fabulous gift 4 yoursel

Northern Ireland, County Down Location https://www.freeadsz.co.uk/x-319903-z

Professional 21-year instructor with 36 years playing and singing experience available to teach guitar, mandolin or given voice lessons. I play in bands both in Belfast and Dublin which make your lessons better. Students grow and get better at their music when the instructor is out playing themselves. It does not matter the age, only the desire to play or sing. The lessons provide both practical and theory knowledge of music. You choose how much you want of each. If you are new to playing or singing I can help. If you already have experience, I can help to guide and improve your playing to the level you want. Feel free bring your own songs that you want to learn and we'll work on them. I provide all the song sheets, notation and books at no extra charge. Its simply £15 per each hour lesson. There is a discount if you buy a block of 4 or 10, just ask. I teach both during the evenings and on the weekends. Ring me and ask any questions about the lessons or how I can help. -I look forward to working with you or your family member on their musical dreams.- Look for our service on Matchetts Music in Belfast under Mixed.
