13.3 5 year old coloured cob mare. Mimi is a very sweet little pony with a lot to give, she is very forward and willing to please. Being her age she is still a little green working well in walk and trot but her canter still needs work. She is happy to live in or out, has been living at Plumpton college for the last 2 months where she has been brought on done some in hand shows and started some jumping which she loves! Mimi is great to hack out, bombproof goes first or last. 5\* home for this mare, would be great pc prospect. Great to clip, load, shoe, bath etc up to date with jabs. £900 ono can be tried at the college.
