Opportunity to Share/Loan. I have 5 horses ranging from 4yrs old to 19yrs old, all Warmbloods (16.3hh & 17.3hh), and well schooled. All Hack out alone or together, Jump, and do Dressage (currently their Level is at the point of starting to learn Piaffe). I am looking for an Adult Sharer (you would need your own transport) who can commit to riding twice a week, and also to be prepared to be coached by myself (at no additional cost) to understand the way that all the horses have been Schooled before going it alone more and more. At the yard our facilities include large stables, Horse walker, and a large arena, and some excellent Hacking. There are no Yard Duties other than helping with the occasional Tack cleaning sessions, feeding, and bringing in and turning out. If interested please send me your level of experience to arrange to meet. I am NOT a dealer or someone who earns my living from Horses, in fact I rescue some of them from unhappy situations, and therefore am seeking a Contribution is £60 per week to help cover their keep costs. I am more than happy to consider complete beginners through to advanced!
