2012 12 reg HONDA NC NC700XAC3E, Manual, Adventure, Petrol, 3,724 miles. Metallic BLACK, Standard Features 2 keys, ABS, Engine Bars, Touring screen, Rear Hugger. A very nice example of Honda's popular NC700X. Just the 1 previous owner, low miles and comes with a few choice extra's on top. The on board storage box is a clever touch and the 80mpg these can easily do means they cost pence to run. A fantastic commuter during the week and an awesome go anywhere bike at the weekend. £4,999
