We are proud to announce our next litter of Multigeneration True F1B Labradoodle pups Due on the 14/05/2016 we have over 10 years of experienced in breeding Labradoodle to be able to say with pride that we Grantee that our pups will amaze you with not just the amount of time love and care that we devote but also guarantee the desired luxurious labradoodle look as well as Health , intelligence and of course the 100% hypo allergenic non casting stunning coat which f1b Labradoodle are know for we are now taking reservation and inquiries .Both parents can be seen as well as anyone who decides to reserve /book one of our amazing pups with a deposit will then be invited onto our family face book were you will not just be able to get in touch with many of our happy family's and see the quality of our stunning past litters but you will also be able to take part in observing the weening process with daily logs pictures and videos until your pups is ready to join you and your family so you wont miss out on anything from day one .The parents are our home pets dad being a first generation F1 Labradoodle named Dougal 11 years old who has a lovely adorable temperament and has fathered over 59 gorgeous puppies in our previous litters with a different mates. Coco is our new standard size 3 year old poodle, who is having her third and final litter who is also adorable and affectionate this is a lovely combination combining the wonderful temperament and nature of both mum and dad who are extremely lovable ,well trained and stunning. Our pups are guarantee to have the saught after stylish and luxurious coats there will be a choice of either shaggy wavy ,curly fleecy or wool . These pups will be between 55-65lbs in size roughly between the size of Labrador/male poodle and will not shed like the first generation f1 Labradoodles truly "hypo allergenic" at is point we cant say what colors but they will vary from pure chocolate, black, white, beige, cream, apricot or caramel as this as always been the case with previous litters . They will be highly friendly with

incredible intelligence with hybrid vigor the puppv's will be much faster learners than the first generation in a pup's and supprised and will make a family pet and home as well as your child's friend. you may have by present day the water should be great and sociable to all and the pup's will be trained with love and respect and checks the dog's weening process will take work from pup's details and to all of the family's to be a vet for security as we have always used the same vet while breeding labradoodles for several years. As well as your puppy looking stunning you can be assured they are home reared and not coming from a puppy farm once your puppy finds you you will be able to make a visit through there weaning stage on our puppy day once you have secured your pup who will be shown tons of love until by vet gives consent for there release which will also be documented with a final report from our lovely vet . We have included pictures of both mum and dad previous puppy's and also them fully grown keeping in touch with many happy family's. We look forward to hearing from you soon thanks David tel 0793256929 079325689... Click to
