Fabulous twin axle, 4 berth van for sale complete with all the kit you need to get started; 2 aquarolls, wastehog, full size Trio awning, battery, cassette toilet with chemicals, mains lead, removable carpets, 2 propane gas bottles, hitchlock, Alko hitch stabiliser and step! Inside there is a 4 burner hob, oven and grill, 3 way fridge, gas or electric blown air central heating, on board hot water tank and inverter. The bathroom has a shower and sink/vanity unit. At the rear there are 2 full size single beds, which can be used as a bench and dinette during the day. This room is separated from the rest of the van by a solid sliding door when the kids have gone to bed... At the front the lounge area makes up into a large double bed with comfortable cushions for a great nights sleep under the stars (if you leave the sky light blinds open!) There is a large wardrobe, plenty of storage space throughout, insulating blinds and curtains and good lighting. There is also a powered TV Ariel and plenty of sockets for mains power to keep everyone entertained. Good condition for it's age, serviced last 2 years ago when all 4 tyres and brakes were replaced. Reluctant sale of our much loved family van, due only to kids getting old!;
