For sale .Wall mounted kitchen scales by salter.Date on the scales appear to say they were made in 1977.Shows both imperial and metric weights.The scales were mine ,but I have decided to stop home baking.Overall they seem to be in a good working order.The ingredient tray which I believe to be polished brass has a very small dint .The scales may suit someone who likes 1970s retro goods or someone who has a small kitchen has the scales fold up into a compact unit.A set of scales simalar to mine is on e bay for £18.
