Hello, I am a female photographer covering Kent and the South East. I offer a FREE 30 minute shoot in my home studio and prices start from as little as £25 INCLUDING a 12x8 canvas! For samples of my work, please visit my facepage: [sharond.images](https://www.facebook.com/sharond.images) I am quite flexible with times as I understand it can be difficult with children at school all day. I also cover birthday parties, weddings, special occasions and corporate.
