

During the school holiday times we have to keep the kiddies entertained, Why not try a fun professional studio shoot fun for all the kids, either let your hair fun for all the family shoot and capture the magic smiles and funn of your little ones, or try a teenagers glamour and glitz shoot with professional make over, when entering in to those important teenage years the young ladies are starting out with make up and fashion so why not try an introduction in to make over ready for your glitz and glamour photo shoot. feel like a celebrity as you step on to the photo studio floor and let the glamour begin. All shoots have the option for various extra, such as Prints, flash drives, canvas wall art, and photo books all to mark the occasion and as a keepsake to show family and friends, or why not present a print or photo book as a gift. For more information and pre bookings contact me today shoots start from as little as &#pound;.
