

Tv wall mounting Interactive

Location **West Midlands, West Midlands**
<https://www.freeadsz.co.uk/x-321659-z>

We offer a professional TV wall mounting service in Birmingham plus the West Midlands for any TV whether large or small. Our specialist trained installation team's use only the finest quality materials available in today's marketplace. Should you require a small screen installed in any room including kitchen and bathroom or need a larger home cinema installation we have the experience and knowledge to provide a bespoke installation to match your exact needs, criteria and budget requirements. Make the most of your TV investment with a mount that accommodates every activity comfortably! The Action Mount moves every-which-way to position your TV near the floor or up high, and it even has an added arm extension for positioning in or around corners. Don't just sit in front of your TV, interact with it!

- Smooth omni-directional TV movement
- Arm requires only a light-touch to move
- Comfortably position the TV for every activity
- Added extension is great for mounting in or around corners
- Enhance picture and 3D viewing with the right screen angle
- Lower for viewing near the floor and lift for standing activities
- Improves ergonomic viewing, relieving eye, neck and back strain
- Discreetly nest TV to the wall when not in use
- Stop feature prevents arm from touching wall
- Rotation offers screen levelling or portrait orientation
- Great for areas with limited wall space
- Cable management routes wires from panel to wall

Great for family rooms, game rooms, kitchens and more
Don't miss a necessary service for TV wall mounting. Don't miss a chance to watch your TV in a new way. The Action Mount is a revolutionary TV wall mounting system which allows you to interact with your TV in a new way. It provides a smooth, easy-to-use, and more. We are a qualified tradesman, fully insured and offer a full 1-year warranty on our work and equipment. We will not put up with what you are told and we will not be taken in by anyone. Our dedicated project manager and acoustics expert will: consult, design and implement all work within a window of time that suits you. Tel: 0121 565 4007 0121 565 4040...
