

# Tv wall mounting Interactive

Location

West Midlands, West Midlands

<https://www.freeadsz.co.uk/x-321659-z>

We offer a professional TV wall mounting service in Birmingham plus the West Midlands for any TV whether large or small. Our specialist trained installation team's use only the finest quality materials available in today's marketplace. Should you require a small screen installed in any room including kitchen and bathroom or need a larger home cinema installation we have the experience and knowledge to provide a bespoke installation to match your exact needs, criteria and budget requirements. Make the most of your TV investment with a mount that accommodates every activity comfortably! The Action Mount moves every-which-way to position your TV near the floor or up high, and it even has an added arm extension for positioning in or around corners. Don't just sit in front of your TV, interact with it!

Smooth omni-directional TV movement

Arm requires only a light-touch to move

Comfortably position the TV for every activity

Added extension is great for mounting in or around corners

Enhance picture and 3D viewing with the right screen angle

Lower for viewing near the floor and lift for standing activities

Improves ergonomic viewing, relieving eye, neck and back strain

Discreetly nest TV to the wall when not in use

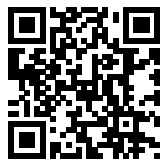

Stop feature prevents arm from touching wall

Rotation offers screen levelling or portrait orientation

Great for areas with limited wall space

Cable management routes wires from panel to wall

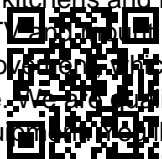

Great for family rooms, game rooms, kitchens and more  
 Don't miss a second TV for the family. Don't just sit and watch TV, interact with it. Set up an Action Mount for your TV. The Action Mount is a horizontal swivel mount which allows you to interact with your TV when sitting or standing, exercising and more. We are qualified tradesmen fully insured and offer a full 1 year warranty on our wall-mounted equipment. We will not put pressure on what you need and a dedicated project manager and acoustics expert will: consult, design and implement all work within a window of time that suits you.
