Hello everyone! I am John and live near Llandysul. I play bass with a group of friends but I was looking for some more local musicians who might like to join me in a second adventure. I was looking to play some covers and get some original music down (I have written out a few songs that need playing now) - the stuff I play at the moment is varied from 60's soul to Kings of Leon rock, 80's pop to Jazz - lots of different styles.

I have a drum kit, guitar and Bass amps, keyboard, PA system, mikes etc, plus bits of other electronica (Kaossilator etc). I have a place to play as loud as we like and as I work from home I am flexible on hours. Any age and stage is welcome! (plus any chaperone etc wanting to come is fine too). I am married with 2 kids at home.

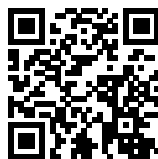

If you are a musician looking for someone to play with or maybe join a band please message me Looking for drummer, guitarist, keyboards, singers (might have 1 F singer). The main aim is just to play music together - if we get on and it works out then maybe gig a bit too? Thanks for reading down to!
