A remarkable example of the ever popular Ford Fiesta in a gorgeous light blue metallic. Sought after Zetec model with high spec including power steering, remote central locking, air conditioning, electric windows, alloy wheels and CD player with AUX/USB connectivity. Visibly well looked after, in outstanding condition inside and out with only 59,000 mile on the clock. Reasonable tax band, low insurance group and high MPG makes this a very desirable 3 door hatch. A super modern looking little car. Comes with a March 2017 MOT (no advisories).
